Identifying Suppliers in Emerging Markets

Where does your organization get information about potential suppliers in emerging markets (i.e. low-cost countries) to help in the supplier selection process? Data from participants of a recent survey indicate that organizations are using various sources to identify suppliers in emerging markets. How do you compare?

Measure up. Move Forward.

CAPS Research, a non-profit organization advancing the profession of procurement and supply management through outstanding un-biased research, benchmarking, and peer-to-peer networks. In partnership with the Institute for Supply Management® and W. P. Carey School of Business at Arizona State University we empower supply management professionals with profound discovery, powerful connection, and clear foresight.
