ENTERPRISE DIGITAL ACCESS

Digital membership, for companies of less than $2 billion in annual revenue, is designed to take you from inspiration to advancement, surpassing your own benchmarks, and anticipating and meeting the future of the profession.

Enterprise Digital Access provides your organization with the intelligence, metrics, best practices, and insights to take your supply management group to new heights. $9,500

INSPIRATION

- Research Reports: Academically-aligned research based on innovative topics driven by CAPS members. These forward-looking reports provide insights, case studies, and frameworks for future success.

- Whitepapers: Actionable best practices and knowledge cultivated from the latest research, publications, and industry leaders.

- Benchmarking Reports: Strategic KPIs and best practices to help you develop and transform your practice.

CONNECTION

- Webinars: Live and on-demand video content covering topics from new research, current events, and benchmarking.

- CAPS Community: Member forum allows you to network, discuss critical issues, gain insights, & ask for input from peers.

- Newsletter: Biweekly member update including exclusive new library content, upcoming survey opportunities and events, and relevant news.

- CAPS Stats: Biweekly infographics highlighting new and insightful benchmarking metrics.

ADVANCEMENT

- Custom Breakout Reports: Go beyond the report and dig into the data by breaking down respondents’ revenue, spend, or industry or compare your company to a defined subset of responses.

- Metrics Dashboard: Online dashboards allow you to select metrics and KPIs of interest while creating trend charts and industry breakouts.

- Metric Index: More than 150 metrics in 30 categories to help measure and develop your supply management organization.

- Maturity Model: Defined best practices to move your organization along the continuum of tactical to strategically-aligned with company objectives, regardless of your starting point.

CAPS Research is a non-profit supply management research center at the W. P. Carey School of Business at Arizona State University.
